

Logitech® Z-340

2.1 configuration • 33 Watts

A great low-priced system for PCs and portable CD and MP3 players featuring twice the bass energy of similar subwoofers.

This speaker system delivers the sound quality of systems costing much more while filling almost any room with clear sound. The three-piece Z-340 offers 33 watts of RMS power, 20 watts in the subwoofer and 6.5 watts in each satellite. You get thumping bass sounds along with silky smooth midrange and high frequencies.

- Subwoofer design delivers twice the bass energy of similar systems
- Stylish satellites stand on desk or mount on the wall
- Great for PCs and portable CD and MP3 players

Immerse Yourself in Superior Stereo Sound
